Dedication

The Plainsman Staff proudly dedicates the 1973-1974 Annual with deep appreciation to a man whose principles, skills and dedication have reflected upon our school.

During his years at Clovis High he has taught Physical Education and American History. This man is in every sense of the word dedicated to leadership with dignity and honor. He feels the teaching of Christian principles are as important as the basic skills in his field of work.

It is with sincerity and grateful appreciation that we dedicate 1973-74 Plainsman to Clovis High's head basketball coach Mr. Jimmy Joe Robinson.

The Plainsman Staff

We May Never Pass This Way Again

Life, so they say is but a game
and they let it slip away.
Love, like the autumn sun should be dying,
but it's only just begun.

Like the twilight in the road up ahead
they don't see just where we're going
and all the secrets in the universe
whisper in our ears and all the years
come and go, take us up, always up.
We may never pass this way again.

Dreams so they say, are for fools
and they let them drift away.
Peace like the silent dove should be flying
but it's only just begun.
Like Columbus in the olden days
we must gather all our courage
sail our ships out on the open sea
cast away our fears and all the years
come and go, take us up, always up.
We may never pass this way again.

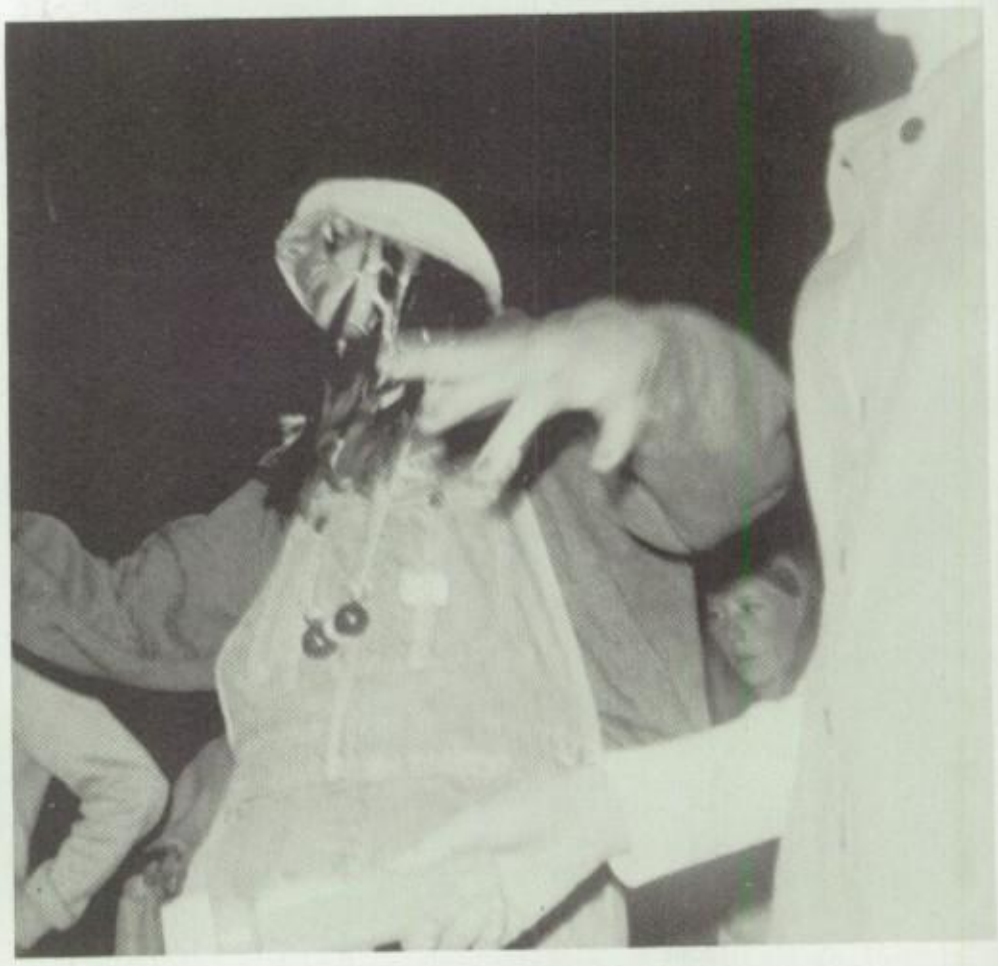
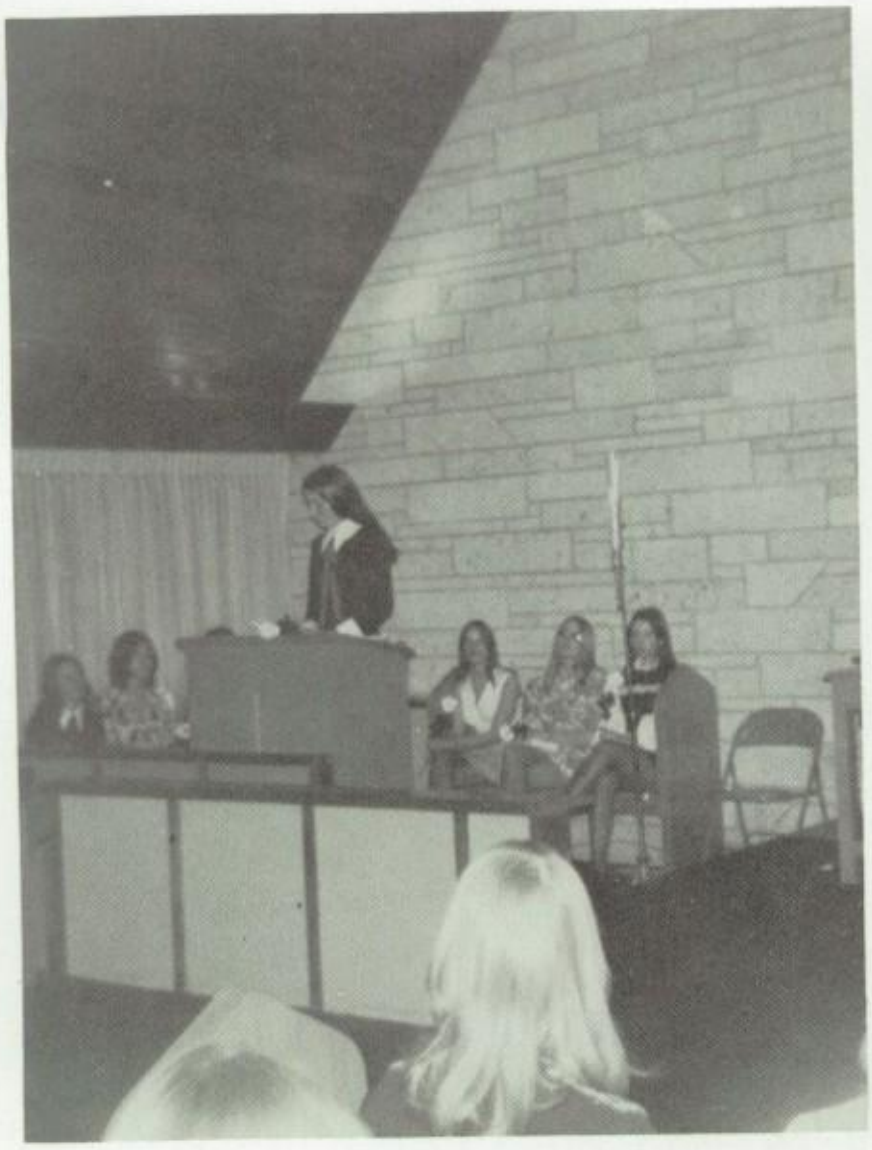
Pledge Week and Fun Night





Hi-AK is an organization that puts the service of young girls together to form a high aims club for the service of other people. As a service organization, the club this year has donated to the United Fund and the Leukemia Fund for Barney Jaramillo. The girls also gave a Christmas Party for some less fortunate children of Clovis.

A girl becomes a member of Hi-AK after being chosen to become a pledge. After pledge week, the girls are formally installed into the club.

While helping others and having fun, the girls always keep in mind Hi-AK's goal: to make the good better and the better best.

This is the 2nd year for the CHS Wildcatette Drill Team. Many things were learned last year, and this year's group has strived to be an improved one. Out of 75 attending a try-out clinic last spring, 35 girls were chosen. Several moved during the summer leaving only 28. Three main officers were chosen at the beginning of the summer and several others were chosen as the year went on. Mrs. Candy Krochl is their new sponsor. Drill Team has had many projects, the main money maker being a Mexican Supper. The Clovis Booster Club gave the girls moral support and were behind them all the way. The Wildcatettes traveled to Roswell in February and competed with the other Drill Teams in the state.
